

## Combo Halves and Pieces

**Description:** Natural walnuts, 12% halves by weight or better, and pieces which pass over a 1/2" screen. Nut kernels are clean, dried, free from excessive defects and damage, and graded in accordance with USDA and DFA standards for shelled walnuts.

**Variety:** Various

Physical Specifications	Combo Halves & Pieces
Color	Light and Light Amber
Shell Fragment	Normal Spec 1 per 100 lbs or better.
Meal	0 to 0.3%
Foreign Material	None Allowed
Total Defect	Not to exceed 1% by weight

**Packaging:** 25 lb net in corrugated cardboard carton with food grade poly-liner.

**Religious Certification:** Certified Kosher by the Orthodox Rabbinical Council of San Francisco.

**Storage Conditions and Shelf Life:** Shelf life at ambient temperatures (70° F) is three (3) months.

Optimum Storage Conditions of 32-38° F and 60% relative humidity are ideal for shelled walnuts and will significantly improve shelf life. Product kept under optimum storage conditions can be kept for 18-24 months from HARVEST date.
